

COMPANY PROFILE

OIL FIELD
CONSTRUCTION
SERVICES

A large circular inset image showing an oil drilling rig in a desert landscape. The rig is a tall, complex structure with various pipes and platforms. The background is a vast, flat desert under a clear sky.

EARTH
WORKS

A circular inset image of a yellow wheel loader with its bucket raised, dumping a load of dark soil. The loader is positioned on a dirt surface, and the background shows a clear blue sky with some clouds.

CIVIL
CONSTRUCTION

A circular inset image featuring a woman wearing a yellow hard hat and a man in a white thobe and ghutra. They are standing in front of a large, multi-story building under construction, with scaffolding visible.

ROAD
CONSTRUCTION

A circular inset image showing a yellow excavator working on a road construction site. The excavator's arm is extended, and it appears to be moving or shaping the ground. The background shows a dirt road and some vegetation.

RENTAL AND
TRANSPORTATION

A circular inset image of a white semi-truck parked on a road. The truck is a modern model with a large cab and a long trailer. The background shows a desert landscape with some trees and a clear sky.

ABOUT US

Founded in 2006, Our Founder Mr. Musaied Rashed Mubarak Hafeedh Al Mazrouei. Emirati National as a single owner which makes this establishment a 100 % Emirati establishment.

Musaied Bin Hafeedh has grown into one of the Abu Dhabi's largest and leading companies in road transportation, civil Construction and maintenance job mainly in Refineries & Oil Field areas with its big fleet and abilities.

Musaied Bin Hafeedh has been one of the first companies which have contributed to the Abu Dhabi Western Region economic growth and tended to boost the country's economy by expanding into different activities including infrastructure and general contracting. We own a large fleet of heavy trucks & modern equipment's necessary to meet the local market demand professionally. This service is managed by qualified selected operators, technicians & safety officers to follow up transport policy and procedures using the latest technology.

CEO MESSAGE

Our group was established in 2006 to contribute to the advancement of economic and urban development in the United Arab Emirates. During these past years, great progress has been made in large infrastructures in all the UAE. We have been inspired by the famous word of the late his highness Sheikh Zayed Bin Sultan Al Nahyan when he said "The desert life and

taught us to be patient and work hard with patience to achieve the highest goal for the best future developments for our beautiful country". So, from these teachings and perspectives we have involved with mega-projects in the country to leave our group's imprint in our country's history for the new generations to witness.

Mr. Musaied Rashed Mubarak Hafeedh Al Mazrouei

CEO (Founder)
